

Information for the Fall Phone Books Event

This is an opportunity for the individual Scouts and not specifically for the Troop like the Spring Event

Fall Phone Books are the answer to your Individual Scouting needs

Individual Scout's participation can be used for things such as:

- Gear
- Camping Trips
- Summer Camp

There are significant differences between the Spring and Fall phone book deliveries:

Fall Delivery	Spring Delivery
<ul style="list-style-type: none">• This is an OPTIONAL activity which you must request to participate in• You earn approximately 30 cents per delivery and this money is added to your personal Scouting Account	<ul style="list-style-type: none">• This is a mandatory troop activity• The bagging and delivery process is a troop activity• The Leadership Committee determines how many deliveries we will make
<p>You determine how many books/routes you want to do up front, then get the closest to that when they come in.</p> <ul style="list-style-type: none">• The bagging and delivery process is not a troop event . You pick up the books and the bags at the warehouse• You bag and deliver on your own (or with a partner)	<p>This Event benefits all troop participants for the various activities.</p>

Additional information:

- We anticipate receiving the phone books and bags in early October and have three to four weeks to deliver
- The actual route(s) received may have more or less deliveries than requested. We will make every attempt to be as close to the request however, routes cannot be broken apart
