UNIT ORGANIZATION

This year your Troop will have one senior patrol and additional patrols yet to be determined. A Patrol Roster will then be created & distributed to the listed members. A Leadership Corps will be formed and will be responsible for planning all Troop meetings and activities.

A Cub Scout Den Chief squad is planned to support the Webelos II Den who will be prospective Troop Members.

DUES FOR THE 2018-2019 SCOUTING SEASON

Annual dues for each scout are \$50.00 again this year, an amount which has only increased in the last 2 years (our 37th when they have otherwise always been \$25!).

This amount must be paid by Thursday, October 11, 2018.

Significant Increases in Registration Fees has occurred these past 2 years, forcing us to change our Annual Dues Fee! Of the \$50.00 annual Troop Fee, \$24.00 is for annual national dues. The National Scouting Organization uses these funds to provide direction and support to our Council and District to maintain a well-rounded Scouting Program (one of the significant increases).

We are planning another Friendly's Fundraiser again this year to help offset the increases and the amount that the Troop Subsidizes the annual registration costs vs the dues we ask for! This has been a big success in the past, and with your help can be even better this year (stay tuned for details, we are currently looking for a volunteer to coordinate this event).

Along with the October dues payment you will have the option to start or renew your subscription to BOYS' LIFE, the official Scouting magazine. A one-year subscription costs \$12.00 and delivery will start in February or March 2019.

All Checks made payable to Troop 2020, BSA. Your cooperation in providing payment to our chairman, Steve Michaud, within the requested periods will be appreciated.

TROOP PROGRAM GOALS

The Troop has set several goals for the coming year. These goals, which will be discussed at the first Troop Meeting are:

- One Camping Trip per month
- Use the older scouts as much as possible to teach the young scouts
- Conducting meaningful and well planned troop meetings
- Promote Summer Camp for all Troop members
- Develop program for older Scouts in line with their Scouting interests
- Actively participate in the community
- Perform two 6 hour service projects, minimum

- Each Scout advance at least one rank
- Fundraisers for additional equipment and mostly Program Expenses, and for the individual Scouts' use
- Maintain a close relationship with the Packs in the area
- Promote Scouting Spirit in all aspects of Troop Activities and recruit new scouts
- Foster a cooperative interaction between Troops in the area
- Encourage active participation for Order of the Arrow (OA) members in OA functions

Your strong participation is needed to help your Troop achieve its goals.

TROOP PROGRAM SCHEDULE

Included is a Program Schedule that lists all meetings and activities for the 2018-2019 programs. **PLEASE REVIEW IT AND MARK ALL THE IMPORTANT EVENTS ON YOUR CALENDAR (dates can be subject to change; and the very latest updates / information can be found on our WebSite, check it often).**

Notices/Permission Slips will be made available on our Website for each camping trip and away activity. Signed parental permission slips and any fees must be turned in by the specified date on the schedule or the date stated on the form.

PERMISSION SLIPS

In order for the leadership to perform the necessary planning and organizing for a Troop Camping Trip, it is essential that permission slips be turned in on the specified date. It is the Scout's sole responsibility to ensure that his permission slip is turned in on time. Failure to meet this requirement results in the Scout losing his privilege to participate in the trip. **In Scouting it is important that the boys learn that they will be held accountable for their actions.** To provide reasonable opportunity for all Scouts to meet the Permission Slip requirements the Troop has adopted the following procedures:

- Permission Slips will be available on our website (also reference our Program Schedule) approximately two weeks or more prior to the campout at, www.T2020.org To save paper & lost permission slips, we ask that all forms be filled out & submitted through our website. Please print the copy in your confirmation email to bring to the next Troop meeting along with your payment.
- Permission Slips will be collected at the designated Troop Meeting. Email announcements will be sent through our Troop Blog to communicate due dates as well as posted on our online calendar When each Permission Slip is returned the Scout must make a cash payment for the trip. It is very important that the payment is in cash as the money will be given to the Scouts designated to buy groceries for their patrols that evening. The final food assessment per Scout will be based upon actual food costs.
- For Scouts purchasing food for camping trips, our food shopping guidelines can be found online. Link to the guidelines can be found on www.t2020.org and go to our Calendar page.
- If a Scout cannot attend the Troop Meeting where Permission Slips are collected and he does not have a friend bring it for him, he must take the following actions:
 1. email t2020ct@gmail.com before the Troop Meeting that he will participate in the trip and make arrangements for payment If this procedure is not followed, we cannot guarantee that there will be adequate drivers and/or food bought to accommodate your Scout.
 2. On or before the Sunday following the meeting: deliver the completed Permission Slip and his **payment to.**

Mr. William Magnotta
53 Marjorie Lane
Vernon, CT 06066

- If a scout is unable to attend a campout that he has signed up for refunds will be made *if food and other campout expenses have not been incurred. Refunds will only be applied to the scouts account.* Please be aware that a portion of the money for campouts is used to purchase common food (i.e. Hot Dogs, Mountain Pies, etc.), if the food has already been purchased for the campout only a partial refund may be made to the scouts account. Please see the online shopping guide on our website for advice on purchasing food for patrol campouts.

ADVANCEMENT - GENERAL RULES

- Standards for advancement are listed in the latest edition of the Official Boy Scout Handbook and the Boy Scouts Requirement Book.
- Leadership requirements for advancement shall be subject to approval by the Troop Leadership and based on the performance of duties.
- Service time for advanced ranks must be an approved Troop Activity or Service Project.
- When a Scout believes he has completed all the requirements for a rank advancement he must contact the Troop Advancement Chairman, Steve Houghtaling, and review his advancement record.
- If the Advancement Chairman certifies that the requirements have been met, he will schedule a Board of review for the Scout.
- The Board of Review has three purposes: (1) To confirm that the Scout has learned the required information and mastered the required skills; (2) To check to see what kind of experience the Scout is having in his Patrol and in the Troop; and (3) To encourage the Scout to advance to his next rank.
- The Board of Review is not a complete reexamination of all requirements. The Board will ask questions to ensure that the Scout has met the requirements, to determine the Scout's attitude, and to confirm his Scouting Spirit. He will be asked where he learned his skills, who taught him, and what he gained from his experience.

After the review is completed, the candidate is asked to leave while the Board discusses his qualifications. After a decision is made, the candidate is brought before the Board and informed of the Board's decision.

Working with the Troop's Adult Leaders, the Committee has contributed to the development of the Scouting Program. The Committee will do all it can to support the Unit's Leaders and will seek parents' help in specific instances (transportation to/from activities, making a presentation to the Troop etc.). We encourage all parents to consider joining the Committee; we could always use your help.

To improve the advancement chances of all Scouts we ask that parents register to be Merit Badge Counselors. Contact Advancement Chairman, Steve Houghtaling at 860-308-4869 or smhoughtaling@gmail.com, to volunteer your much needed and appreciated support.

FOOD ALLERGY PROTOCOL

Discussion around being prepared for our scouts with food allergies in order to make sure all of our scouts are included in meals /cooking activities with their patrol.

Food shoppers need to be made aware of special requirements for our scouts with food allergies. If they can't find appropriate items, communication must be made with leaders/parents so they can provide their own food if needed.

Boys will still be asked to follow the general meal plan. Ex: If having 'cold breakfast', they should plan an appropriate cold breakfast.

Troop leaders will provide an additional stove for cooking, when food needs to be cooked separately. This will also allow for more cooking opportunities for our scouts.

During cleanup, dishes used to prepare meals for our scouts with food allergies should be washed first and not be in contact with other dishes.

For more discussion on subject, please seek out a Troop Leader throughout the year as necessary

JUNE NORCROSS WEBSTER SUMMER CAMP

24 scouts, 2 JASM's, & 6 Leaders of our troop attended summer camp July-August of this year (during the newly named Week # 6) of camp, and quite a few attended an additional week too! The JNW camp is located in Ashford Connecticut. All the scouts had the opportunity to get to know each other better, especially including the new scouts who joined recently! Each scout contributed to a very successful week for the troop. The scouts are able to work on and earn Merit Badges, Patches, & Certificate Cards while at camp (see summary below). Some of the badges they can earn are; Wilderness Survival, Swimming, Life Saving, Robotics, Electronics, Space Exploration, Leather Working, Finger Printing, and Basketry (a big favorite). Summer Camp is a great place to earn and work on Merit Badges with all the necessary resources available. The Troop also participates in the Polar Bear Swim each Morning (at dawn). There was also another favorite annual event, our Ice Cream Sundae night. Volleyball is always a favorite troop siesta activity that the Staffs look forward to every year when we are there our week.

The Senior Scouts from the Troop have been hiking in New Hampshire, rafting in Maine, sailing in the Bahamas, white water rafting in Colorado and canoeing in Florida. Of course, they also used their camping skills at each camp.

High adventure camps allow the Senior Scouts to experience something new and challenging. Each year the Senior Scouts vote to decide where and what they would like to do in the summer.

The Assistant Scoutmasters will be Dan Couture, Pete Bradshaw, & Dan Nevelos. They are looking forward to working with the Scouts this year.

TROOP 20/20 HISTORY

Troop 20/20 was chartered in June 1980 and began with seven Webelos "graduates" from Pack 382 in Vernon. Since then, the

Unit's membership has grown to a peak of around 60 something and its present level of 32 registered Scouts. The Troop's first sponsor was the Lion's Club of Rockville/Vernon.

Our distinctive unit number, "20/20", is directly related to the Lions' service to the community in recycling old eyeglasses to the needy. The next sponsor of the Troop was the Skinner Road PTO. Then the sponsor was the Rockville Moose Lodge for many years until 2010 when they closed. Currently our sponsor is the Rockville Elks Lodge #1359.

Your Troop began its existence with no equipment, other than five old, leaky tents donated by Troop 96 of Ellington. Aided by several generous, timely and much needed contributions from the Lion's Club, Aetna Life and Casualty, Vernon Health Care Facility, The E.W. Burke Trust, the Moose Lodge, Skinner Road PTO and the Rockville Elks Lodge #1359, the Units membership has worked hard to raise funds necessary to acquire sufficient camping equipment to provide a sound Scouting Program. Fundraising activities by the Scouts have included the assembly and sale of first aid kits, telephone directory deliveries, sale of light bulbs, Jeannie kits, candy sales and Dunkin Donut Certificate sales. As the newer Scouts enter the Unit, it is now equipped for them through the hard work of Scouts from previous years. It is now their responsibility to continue to help raise funds to sustain the Troop.

Troop 20/20 is proud of its service to the community. The Unit has devoted many hours of personal growth enriching service to Vernon Health Care Facility. They visited with elderly residents, shined the resident's shoes and planted/tended the flower gardens for the resident's enjoyment. Other examples of service projects include the new Site 8 pavilion and bulletin board, Site Shed, grounds work at J.N. Webster Scout Reservation (including an unknown project by most of providing and installing all of the Site's Flag Poles!), road side rubbish cleanup, leaf raking, Skinner Road School cleanup, Taste of Vernon cleanup, Moose Lodge dinners, Christmas in April, Spring and Fall Cleanup of the Rockville Elks Lodge and other projects for various scout camps.

Forty-five Troop 20/20 Scouts have reached the rank of Eagle Scout.

The past thirty-eight years have been active ones for the Troop, and this year is shaping up to be another one.

TROOP 20/20 MEMORIAL

Brandon Magnotta - Scout

Mark Bull – Scout

Michael Litwinka – Scout

We unfortunately have added another Scout to our memorial and have purchased his own Summer Camp bench in his memory

Michael Boyle

TRIBUTE TO BRANDON MAGNOTTA

In 1999, our Troop lost Scout Brandon Magnotta, 13, in a fatal accident. With his telescope and other materials from his parents, Janet and Bob Magnotta, Troop 20/20 has established a program in the study of Astronomy to share with other youth a field that Brandon was very interested in. Also, we have established a fund in Brandon's name to help other Scouts attend activities like Summer Camp when family funds may not be sufficient. Donations may be made payable to Troop 20/20 Brandon Fund in care of the Scoutmaster.

Additionally, our Troop may annually select a Scout who best demonstrates the Great Spirit and love of Scouting that Brandon showed us. The Scout who is selected will have his name engraved on a Commemorative Plaque in celebration of that Scout Spirit. At the June 2000 Court of Honor, Brandon's parents were presented the Spirit of the Eagle Award. A recipient of the Brandon Magnotta Scout Spirit Award is announced at our Season Closing Court of Honor in June.

Do you have the qualities; could you be next?

Troop 20/20

The Ten Commitments

1. I will strive to live up to the ideals of the Scout Oath and Scout Law, practice the scout slogan and embrace the scout motto.
2. I will continuously look for opportunities to provide cheerful service for all that I come in contact with. This includes being the first to volunteer when needed and being last.
3. I will make eye contact when spoken to, speak with the sufficient volume to be heard and provide a coherent response.
4. I will be considerate of other people's feeling and sensitive to their need. This will be accomplished by always asking myself; "How would I like to be treated in this situation?"
5. I will respect the scout uniform, wearing it proudly and wear troop 20/20 attire where appropriate. This includes all scout related activities and while traveling.
6. I will not be rude to fellow scouts, adult leaders or others in the community. I will not use inappropriate language, be late to scout functions or ignore scout and adult leadership directions. Being respectful includes not harming fellow scouts (hands off) or animals and plants in the environment.
7. I will learn and practice all the skills that scouting has introduced me to.
8. I will respect the property of others, troop equipment and community property. I will also take responsibility for all of my personal gear and not blame others for losing track of its whereabouts.
9. I will never use the word "I can't", "it's not my job" or "I don't want to".
10. Becoming an Eagle Scout that my troop will be proud of is my ultimate goal.

Please Note: Once the BSA Cyber Chip Requirement is completed, an Annual Recharge (Renewal) is necessary and is in support of the above commitments.
